Dear User

The website address is: www.mathsandscience.com

a. Ordering your FREE Online Lessons/Tutorials:

1. Go onto the website using the above website URL address.
2. Click on your Grade & subject – 10 Maths Special (or whatever subjects/Grade you require).
3. Click on the **[Add to cart]** 'All Grade 10 Maths Tutorial Special', or whatever.
4. Click on **[view cart]**
5. Click on **[Proceed to checkout]** (Notice the coupon enables you to get everything for FREE!)
6. Complete all Billing & Personal details (note – no cost to you, since sponsored!)
7. Tick in the box **[I have read and agree to the website terms and conditions]**
8. Click on **[Place Order]**

You will now receive an email informing you of what tutorials you have ordered.

b. Accessing your FREE order:

- ★ Now go to the front/home page of the website and click on **[Your order here!]**. You will now find access to your specific order. **Use & access your Online tutorials here, daily!**
- ★ Go through each 'lesson' in each tutorial and once you know the section well, do the assignment at the end. If you get above 80% (you may repeat it, if necessary) - you qualify & may download **your certificate** from the website for successful completion of the Tutorial.

c. Using our FREE lessons/tutorials materials:

- ★ To ensure a good pass in these critical subjects you will need to use them daily.
- ★ Regular use can see individual marks improve by up to 50%!
- ★ Daily use by teacher in the class will ensure class averages improve by up to 15%!

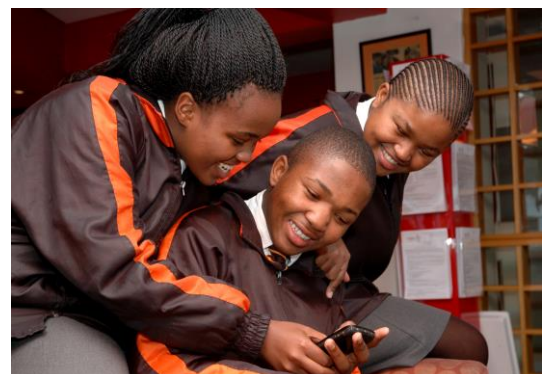

Working thoroughly and carefully through all the tutorials for the whole year, will enable you to gain good marks (60% or more!) in these key subjects!

Good luck!
